Introduction of Eloam

Found in 2005, Shenzhen Eloam Technology CO., Ltd is a professional portable camera scanner solution provider and manufacturer, mainly provide ODM & OEM service for the clients all over the world. Our camera scanner can provide professional images and documents processing solutions for schools, banks, office and so on. Eloam affiliates to Lianchuang Technology Group, which bringing together more than 30 years of experience, including rich resources and advanced technology.

Over 18 years of research and development, we possess intellectual property, independent workshop, professional technicians and strict quality control.

Eloam aims at achieving paperless working and diversified teaching. We provide superior best solutions and valuable products at the best price to our customers. Our longstanding commitment to the communities and environment protection reflects our belief that no individual or company can be a good citizen without getting actively involved.

Our intellectual property guarantees advanced software and unique designs in every product, giving our customers competitive advantage in the market.

Our independent workshop manages to supply annual production capacity of 800,000 sets, delivering hardware devices and software to our guests around the world in time.

Our professional technical teams and 1,500 selected workers meet various demands for customers worldwide and strictly execute quality regulation.

Camera Scanner & Visualizer

One Second Scan | 8/11 Megapixels HD Pixel | Auto Focus | A3 Size | Folding Design

VE1020A3AF/ VE1300A3AF

CMOS, A4/A3

- Three in one: high-speed scanner/ Visualizer / Webcam
- Multi-angle rotation and foldable, ultra flat storage
- Useful Visualizer Software, OCR
- VE1020A3AF:8MP, with software 10MP
- VE1300A3AF:11MP, with software 13MP

VH800S

CMOS, 5MP+A4

- Gooseneck design and Multi-Angle Shooting
- Useful Visualizer Software, OCR

One Second Scan | Auto Focus | Video Recording | USB | A4 Size | LED light

HC101

- Support USB and wireless 5.8G transmission
- Multi-Angle Shooting
- Useful Visualizer Software, OCR
- 8MP, with software 10MP

8 Megapixels HD Pixel | Auto Focus | WIFI | A3 Size
